The Insect Inn Ultra™ is the inconspicuous, commercial fly control system that works. Its patented auto advance cartridge lasts 60 days and can capture over 2000 flies! The Insect Inn Ultra™ is available in one-lamp or two-lamp models. This wall mounted unit, which doubles as an attractive decorative light fixture, is an effective, environmentally safe way to control flies. The Insect Inn Ultra™ meets all USDA and FDA guidelines.

- Holds up to 10 times the capacity of a standard glueboard
- 584 sq. inches of continuously moving trapping area
